ASIE was established in 1994 and its membership demographics include technical professionals of Indian origin in Engineering, Architecture, Sciences, Construction, and Information Technology in Greater Houston Area. Our focus is on professional development and we aspire to position the Indian technical professional community to be a force to reckon with. ASIE provides a forum for leadership development, interaction with governmental agencies, successful entrepreneurs, career enhancement and networking. Members benefit from knowledge sharing with experienced and current generations. ASIE and its sponsors provide scholarships, mentoring opportunities, career planning, and employment assistance to graduate students and young professionals. ASIE is a unified organization dedicated in providing a platform to assist Indian Technical Professionals in career advancement, business development and voicing their opinions to impact public policies.
