

## TransportationCamp Texas 2016

### **Calling all transportation engineers, planners, and tech professionals interested in transportation and tech in Houston!**

TransportationCamp Texas 2016, a partnership with the American Society of Civil Engineers and the Houston and Austin Chapters of the Young Professionals in Transportation (YPT), aims to bring together diverse views and perspectives on pressing transportation issues in Texas. TransportationCamp

Texas will be held as an unconference - a loosely structured conference emphasizing the informal exchange of information and ideas between participants, rather than following a conventionally structured program of events. Typically at an unconference, the agenda is created by the attendees at the beginning of the meeting. Anyone who want to initiate a discussion on

a topic can claim a time and a space.

Date and Time: **Sunday, June 26th, 2016 from 10am - 4pm**

Location: **Omni Houston Hotel, 4 Riverway, Houston TX 77056**

Cost: **\$25**
